PACIFIC RESEARCH AND EVALUATION ASSOCIATES (PREA) Environmental Policy

Pacific Research & Evaluation Associates is a consultancy delivering primarily research and evaluation services to clients in Australia and internationally. Our project work is focused on delivering positive outcomes to clients in the fields of evaluation, project management, project design, training, facilitation, communications and resource development.

PREA's Environmental Policy applies to all of PREA's home office locations and operations and services.

We at PREA aim at achieving continual environmental improvement through implementing a management system with objectives and targets

to

minimise our environmental footprint

by

working with staff and other stakeholders

through

pollution prevention practices and reduced resource consumption

in

compliance with legal and other requirements

& be

a role model for others to follow.
